EXPERIENCE

Full-stack Developer with Machine Learning

2022 - 2024

As a Full-Stack Developer at Royal Rift Nepal, I have gained hands-on experience in building and improving AI models. My role involves enhancing machine learning algorithms to drive smarter solutions. Additionally, I have designed and developed many of the company's most complex web pages, ensuring both functionality and user experience are at the forefront of every project.

AS A LEARNER

As a continuous learner, I strive to enhance my expertise in full-stack development, AI, and machine learning. Age is just a number—I may be young, but I have skills and ideas that many older professionals don't. If given the opportunity, I can improve AI models, development processes, and innovative solutions that drive growth. With a unique mindset and a fresh perspective, I aim to make a meaningful impact in technology and business.
